Naughty Hen Party Checklist

Organise some cheeky activities (more info on each activity can be found by *clicking here*):

- 18+ trivia night (create it yourself by searching the web for some naughty questions. Can also hire a person to run the show)
- Naughty dance class (e.g. lap dancing, pole dancing, burlesque, twerk class, etc.)
- Male revue show
- Nude drawing class
- Pleasure party (just like a Tupperware party... but with 18+ products!)
- Rude origami (for the crafty hen - create your very own paper penis and more!)
- Strippers
- Topless waiters
- Tantric hen party (for a sensual, exciting and educational experience you sure won't forget!)

Organise the little things that make a big impact:

- Pick a cheeky dress code (e.g. Burlesque, sexy [anything] such as 'sexy farmer', masquerade, red lips, etc.)
- Play some naughty games (Balloon pop, cheeky time capsule and sell your sh*t are some of our faves to play. Check out the actual article for instructions!)
- Shape food like a pecker and/or give dishes naughty labels

Gift your guests some cheeky items:

- Baked goods (slices of a penis cake, cupcakes topped with fondant peckers, mini pecker cakes, penis shaped lollies, penis shaped chocolates or even penis shaped biscuits)
- Cheeky dress ups (handcuffs, garters and stockings are all great examples)
- Game cards (such as 'Truth or Dare' cards that need to be filled in for the bride-to-be)
- Plant gifts (baby cacti are the best for this! Have a sign at the table that says 'pick your prick' for instant cheeky favours)
- Play-dough (perfect for parties planning to incorporate games such as 'mould a man'. It can be made at home saving you \$\$\$ - see article for recipe link)
- Raunchy jokes (get Googling and find some hilarious jokes)
- Riddles that sound dirty (but actually have a clean answer! E.g. I'm hard when you put me in your mouth, soft and wet when you take me out. What am I? ... chewing gum!)
- Shots and/or alcoholic drinks (such as small champagne bottles)
