CREATIVELY CLASSY WAYS TO

WOW YOUR BRIDE-TO-BE!

10 Creatively Classy Hen Party Activities

1. Participate in an art class whilst sipping on wine and digging into some food
2. Organise an activity whereby manners are replaced with 'heightened senses' - take your hen out for a Blindfolded dinner!
3. Get creative in the kitchen with your closest pals and learn how to make something amazing in a cooking class
4. Organise the ultimate foodie surprise with a secret dining experience (no-one, including the host, will know where you're going or what you're eating until 2 hours before the party!)
5. Learn all the right moves by booking in for a dance class. From Twerking to the Charleston, there is something for everyone!
6. Queens deserve a crown. Why not make your own in a flower crown workshop?!
7. Erring on the cheekier side of life; take art class to the next level by sketching a naked man
8. Enter a real-life puzzle with an escape room experience
9. Participate in a game that 'combines the puzzles of an escape room, the search of a scavenger hunt and the story-line of a movie' - with the buckhens outdoor experience!
10. Organise for a stunning picnic to be set up in your bride-to-be's favourite place - then indulge in wine, food and good times!
