FOR EVERY TYPE OF BRIDE

Fun Hen Party Ideas for Every Type of Bride

1. For the classic bride - a cocktail making night! You can't go wrong with a mix of cocktails, food, friends and music.
2. For the philanthropic bride - organise a charity event! Rather than spoiling the star of the night in a way that makes her feel uncomfortable, consider organising an event (such as a fun run) on her behalf and donating all money raised to her favourite charity.
3. For the film-buff bride - a screening! Book out a local boutique cinema for the night and organise a private screening of one of her favourite films.
4. For the foodie bride - a cookery class! A great group activity that will not only teach you new skills, but will also leave you with a mountain of delicious food to devour.
5. For the quieter bride - a spa or tea party! Spa days or weekends away promise luxury, rest and deep and meaningful chats; and tea parties are always a beautiful and delicious occasion.
6. For the beach loving bride - a tropical getaway! Extend a single hen's night into a weekend away; a guaranteed treat for all of the girls.
